A member applying for regular membership will be considered an associate member until the following requirements are met: attend at least three meetings in a six month period, or attend two meetings and one club-sponsored activity in a six month period.

2. **Associate membership** – dues are \$15.00 a calendar year. An associate member shall not be able to vote or hold office, but will be mailed newsletters, and be informed of and be invited to all club meetings and activities. The member must be in good standing with the AKC and subscribe to the purpose of this club.

3. **Family membership** – dues are \$25.00 a calendar year. All members of the household are eligible for membership providing they are in good standing with the AKC and subscribe to the purpose of this club. The family members may be regular members, associate members, or junior members. Please list names and type of membership applied for (regular, associate, or junior):

4. **Junior membership** – dues are \$5.00 a calendar year. This is for persons under the age of eighteen who are in good standing with the AKC and subscribe to the purpose of this club. This membership requires payment of dues but may not vote or hold office. The member will be mailed newsletters, and be informed of and invited to all club meetings and activities.

Accompanying the application, prospective member(s) shall submit dues payment for the current year. **The endorsement by a member may be waived by attending two club meetings. All new adult members will be considered associate members until they meet the requirements for regular membership.**

All applications are filed with the secretary and presented at the first club meeting thereafter, at which time an affirmative vote of a majority of those present will elect the applicant.

Lost Coast Kennel Club of California meetings are held the third Tuesday of every month, at the Adorni Center in Eureka on odd number months and at The Meadows in Eureka on even number months, at 7:00 p.m. (No club meeting in December).

Electronic communication consent: In order to be in compliance with California Law, LCKC must have a hardcopy written consent to communicate electronically from each member in LCKC's file.
