President's Corner

As the year winds down, our November 18th meeting will be our last of the year. Let's end the year with a bang with everyone in attendance so that we can tie up any pending items. This edition will also be our last newsletter for 2014. So if you don't come to the November meeting, you won't get any news of what happened there until the January newsletter!

Since there were no contested offices, the following slate for 2015 will be voted on at the November meeting: President: Beverly Morgan Lewis; Vice-President: Jill Otto; Secretary: Kris Smith; Treasurer: Sandra Gould; Board members: Sara Borok, Emily Dalton, and Deb St. Myers.

Thank you to all the members who contributed to the life of LCKC over the past year. There are so many ways to participate. If you missed out on pitching in this year, please take the leap in 2015. Don't know how to participate? Please call or email any of the names you see above and we can get you started.

Don't forget the LCKC Holiday Party on December 20th at Chris Irvin's house. This is always a great time. More details, such as the time, will be sent later.

It is time to send in your membership Dues for 2015!

Have you heard?

From Jill Otto:

Scotch passed the test for his Advanced CGC!

From Terri Moreno:

Eli had the only clean run in Novice Jumpers at the RCA Agility trail in Medford.

From Chris Irvin:

Wizard received his Therapy Dog Advanced title from AKC while Chablis got her TD title and is working towards the advanced level.

As dogs get older and participate less in performance events this is such a nice venue to get involved in to continue your partnership with your pet.

Everybody wins!! The residents love visiting with the dogs. The dogs love the attention and there is nothing like taking your dog around and watching the people light up and respond to your buddy. I know its hard to find time in our busy lives but the rewards are so worth it. So if your looking for something new to do with your best friend I highly suggest getting your dog tested and become a Therapy dog volunteer.

Have you heard?

From Beverly Morgan Lewis:

Four months after earning his MACH 4 at our LCKC trial, Puck earned his MACH 5 on November 14 in Santa Rosa at the Sonoma County Agility Club's agility trial. He was waiting for Marlene to return from pupternity leave to finish this one!

On 11/4 @ HumDOG, one week shy of being 8 months old, Pictsie passed her CGC test... much to her mother's surprise and delight.

From Sarah Borok:

Siberian Nationals in San Diego Oct 25 to Nov 1.
Karma took 2nd place in both Rally Ex B and Adv B with a 97 and a 96,
and Hildy took a 3rd place in Rally nov B with an 89
(At 10 months old!! And out of 6 in the class) .
