## President's Corner

We did it!! Our first-ever, winter, stand-alone, obedience/rally trials and barn hunt. The exhibitors seemed very pleased with the event, the venue and the judges. Special thanks to Sara Borok, Sandra Gould and Cathlyn Wright for pulling it all together and pulling it off. We will be reviewing the events this month but will likely have to wait until next month for the financials. What do you think? Should we do it again? Come to the meeting and share in the discussion.

We are coming up on the HumDOG Expo next month. Not as many LCKC members have applied for booths as in the past. This is a great way for us to connect with our community to discuss our passion for pure bred dogs. If you haven't already secured a booth, please consider coming to help with the event.

We're only four months out from our big conformation show and obedience/rally trial. Only three weeks after that is our agility trial. Isn't it amazing how quickly these things come around? It takes a village to do all this "stuff". So don't just sit back and watch. Step up!!

See you at the Clubhouse at the Meadows in Myrtle town on February 16. The general meeting is at 7:00. All are welcome to attend the Board meeting as well which precedes the general meeting at 6:30 pm. Don't forget to drive past the actual clubhouse before you settle on a parking place. Be there or be square

Congratulations, your dog has met the eligibility requirements to enter the 3rd AKC Rally® National Championship, being held in Tulsa, Oklahoma, March 18, 2016!

*And the only Obedience/Rally show we do is LCKC.*

## From David Lindberg:

At the LCKC trials last month, Mongo and I qualified twice out of three tries in the Rally Excellent A ring; first place both times in a small field.

Also, in our first entry into the Obedience ring (Novice A), Mongo and I qualified twice out of three times.

Again two first place ribbons. We'll be looking for a couple of new titles at the June event.

## From Mette Bryans:

Sassy and Muffin won some big beautiful ribbons in Rally-O at the Lost Coast Kennel Club trial in January. It was so much fun.

## From Jill Otto:

Scotch received all 3 legs of his Rally Novice title at the LCKC Obedience/Rally/BH trial.

He finished with two 3rd places and a 1st place with a score of 96.

Everyone commented on his "smile" and his wagging tail.

Good boy Scotch!

## From Susan Dean:

Welcome the "Diblets" to the world!  
GCH Collina D'Oro Rock you Like a Hurricane, aka Dibbs,  
sired a litter with a bitch in the UK !  
Dam is Afterglow Nice One Squirrel, aka Cosmi  
A litter of TEN puppies were born on February 5-6<sup>th</sup>.  
Claire Sharp is the breeder.  
The smallest was 1 lb 4 oz at birth! That is a lot of puppy!  
All are thriving.  
Now if only I could go get one and bring it home with me.  
You can follow this litter at

## From Deb St. Myers:

On February 1st, at 02:35 in the morning, our  
Dual CH. Zazzy gave birth to her first of 3 puppies.  
They were all over 13 oz and very vigorous to say the least.  
We have 2 big red boys and 1 big girl .  
Zazzy did a great job and is a very attentive Mama.  
We have been working on this litter for over a year now.  
Are very much enjoying each day as we watch them grow.  
You'll be seeing more of  
"ZING" our new baby girl as she will be not be going anywhere.

## From Sandra Gould:

Tippet has earned his THDA (therapy dog advanced title). He is therapy dog for Hospice of Humboldt

## From Tina Moulton:

Introducing CH. Jo-Na-Da's Freebird at Rovente! Freebird finished her (my?) quest for her AKC championship at the Golden Gate Kennel Club show last month. She had not been shown for several years, taking a back seat to sister Madonna's puppies. Once the pups finished their championships, I dusted off Freebird and took her back out. I had no idea what to expect from her, but she walked into the ring to take winner's bitch in tough competition her first time out in three years. She steadily accumulated points and finished on a high note by earning her final major at GGKC. We are so proud of our funny little girl :-)

## From Sara Borok:

Here are a few from last weekends' sled dog races in Chester... We didn't do great... but we were there having fun... We were way out of our league running the six dog six mile race. I should have stuck to the four dog four mile race. We learned A LOT!!

## From Beverly Morgan Lewis:

At the Mensona KC agility trial on 1/31.2016 Pictsie earned her first agility title in the Novice Standard Class. So glad she finally decided to team up with me ;-)

One day, one handler, two trials, two judges, three dogs, three titles. Pictsie got her Rally Novice Title with 2 second place finishes. (She also got a Beginner Novice leg, 2nd place.)

Druid got his Advanced Rally Title. (One of the two legs was 2nd place.)

And Puck.... My wonderful boy, Puck, got his CDX. I've never gotten beyond a CD before. Have wanted to for years, but never gotten there till our LCKC Ob Trial. He and I had some real embarrassing moments in the ring the last two times out. I thought maybe I would just have to hang it up without finishing. But then on Jan 23 he turned in a lovely performance with a score of 192, his best score ever.

A big thank you to our judges, Carolyn Wray and Chris Cornell, for doing such a great job of putting handlers at ease. And thank you to Lost Coast Kennel Club for taking the risk of adding an indoor winter trial to our schedule. I hope we can do it again next year!!

## From Emily Dalton:

Hogan got his International champion title, and Dorabella got the International and National senior puppy championship title at the IABCA show last month!
