## President's Corner

Wow! What a great event we produced!! The breed show and obedience & rally trials were a success. It takes a village to raise a child and it takes the whole membership to put on an event such as this. Thank you to everyone who pitched in, especially those who worked pretty much "full time". But the biggest thanks of all to Emily Dalton, who was willing to take on the daunting task as first-time show chair. It's a job that no one wants to do but we can't have a show if no one does. We had a great entry this year. The lure coursing went well with a good entry in their new location. The rally folks really appreciated the third day of rally. And some of our members had great success!!

We did that so well... can we do as well with our agility trial coming up 7/19-21? The major set up will be on Friday, 7/18 but I will need a small core of helpers on Thursday 7/17 to mark off where the rings will go and set up those lovely canopies. We will also need some help each day during the trials and again a big effort to strike the set on Monday (7/21) in the afternoon. We will decide on the start times for Thursday and Friday at our next meeting on 7/15.

The summer events continue with Woofstock in August and the Farm Store Pet Fair in September. We will be having a booth at both events and will be needing members to spend all or part of the day there. You will have the great companionship of other members and their dogs while talking with the public.

Again, thank you to all who helped with our big June event. I'm looking forward to seeing you all at the agility trial that's right around the corner. Remember, it takes a village.....

July meeting is 7/15 at the Adorni Center with the Board meeting at 6:30 (all are welcome) and the membership meeting at 7:00. Be there or be square.

# Coming up soon...

Save the date!

Tuesday, August 19, 2014, 12noon to 3pm, A doggy picnic – or a picnic with dogs. The Humboldt County Fair is having a day of “Things to Do Outdoors.”

We have been invited to participate with our dogs, and show others in our communities some of the things we do with our best furry friends.

We will have a baseball diamond and field, fully enclosed by chain link fence as our special place. Because dogs are not allowed on fairgrounds, we will need to issue an identifying ribbon for your dog(s)’ collar.

At this point, we want to get an idea of who will be coming and what activities they would like to engage in and what new activities they can show off to other people. Among the activities so far, are dog sledding (on the turf), rally, obedience, nosework, driveball, tracking, and agility.

What would you and your dog like to share? Or what dog activity would you like to know more about? Please let us know if you are coming and what activities you wish to participate in, or can demonstrate.

Send an email to [Sandraleegould@gmail.com](mailto:Sandraleegould@gmail.com) or [carcassqun@yahoo.com](mailto:carcassqun@yahoo.com)

Please RSVP to this event so we can plan accordingly.

# Raffle!

Thanks to everyone who worked so hard and also those who donated items. It was a big success :-)

Our show's EMT, Attila Gyenis, was thrilled to win the guitar in our raffle!

# What husbands do at dog shows....

Barbara Stelz snapped this pic at our show: All three husbands were snoozing while their wives were off visiting our vendors. One on the left is my Linni's co-owner/breeder, one in the middle is the husband of club member Bev Zeman, one on the right is the husband of another Puli person that usually comes to our shows and this year finished her Puli's Rally Excellent title in Ferndale.

This photo of Bill McFadden showing Linni at Woofstock showed up in the Canine Chronicle....

**Barbara Stelz' Linni went Group 2 on Friday and Sunday at the LCKC shows, and was Reserve BIS on Saturday! Congrats!**

## From Susan Dean:

Dibs went BOB at Lost Coast on Sunday.  
It was his first BOB.  
Rocket took breed on Saturday.  
Emily Dalton snapped a pic in the ring.

## From Sara Borok:

Lower Columbia Siberian Specialty Jun 19-20, Clakimus Co. Show Jun 21:  
Hildy's first show - in the puppy 6-9mo class went from 3 (out of 5), 2 (out of 6).  
First in sweeps in her class and first of 3 on 21st. I think she was 4th in sweeps overall.  
Karma, finished her rally advanced title and gained one more leg of her CD, and made the cut one of the days in Breed.  
LCKC show:  
Hildy took BW two of the days and WB the last day.(Her first points at only 6 1/2 months old).  
Karma( the amazing 3 ring Siberian), Finished her CD, first in rally Excellent took BO on Fri,  
BOB/G2!!!! (her first group placement, with me handling her) 1st again in rally ex on Sat and  
BOB on sun and finished her rally ex with another 1st. Beating the #1 Siberian in the country both days.  
Let me tell you running from ring to ring is exhausting, but I got my moneys' worth of entries!!!  
;-) Lauren House is her breeder that's why she's in the pictures and handling puppy

## From Deb Loptien:

A Westie litter was welcomed in late May!

Mu-Shi collected 3 points at the LCKC shows!

## From Kris and Bayard Smith :

We were so pleased with our old girl, Tillie (CH Sindar Tillicum of Jeffcairn SC) at the Scottish Deerhound Club of America's National Specialty in Richland, Washington, in June. She completed an ASFA lure course, then the next day a LGRA race meet, then in conformation she won her Veteran Bitch class and got the Best Head award.

Colin, on the other hand, went in to coursing and racing undefeated, but got trounced in both by his speedy little sister from Oregon

## From Tina Moulton:

My pups Riot and Raya made me very proud at our shows. Riot was WD and BOS all three days, and also BOW on Saturday. He earned 6 points and now just needs his majors to finish. Raya was WB all three days and BOW 2 out of 3 days. She earned 5 points and only needs 2 more points to finish!

I feel like the whole show thing really “clicked” for them at our show. Riot and Raya were co-bred and are co-owned with my friend and mentor, Nona Molaison.

**From MaryAnn Wik :**

We had so much fun at the show but it was very tiring when Sunday evening rolled around...

I'd do it again in a heartbeat

So our winners are:

Canadian Champion PassionPaps Nite N White Satin with 2 points total for Friday and Sunday winning

1/W/B/BW. Saturday he was 1/R. Hero is our Black and White Papillon. His breeder Denise Reid is very happy to see him in the AKC show ring and that was a great start for him!

Both days we also went to group...it was fun!

Playful Poetry In Motion, call name "Juliette" won 3 points

(1 point per day) 1/W/OS. She did GREAT fir her first time out...alittle shy on the table but apparently the judges really liked her !

Playful Energizer Bunny who is owned by Margaret Mayes won 1/W/B/BW on Saturday and was 1/R on Friday and Sunday.

Playful Moonlight Secret Angel looked cute as a button showing and is our Phalene (drop ear papillon) but the best she got each day was 2/R

Now Madi my newfie... I'm so proud of her for her first show days..

Playful Madly In Love won 1/R each day.

The judges loved her movement, structure (conformation), and most of all "Attitude" hehe but felt

they would like to see more on the top of her head...

This can come in time since she is only a year old.

We are not giving up on her :)

Thank you so much MaryAnn Wik of Playful Papillons and a Newfie too! :)
